

## **Document Verification With Facial** Comparison (DVFC)

Authenticate customers across the globe with W2's Document Verification with Facial Comparison (DVFC) solution and experience a frictionless, faster onboarding journey.

By implementing the DVFC services into your customer onboarding journey you can keep customers engaged in a smooth end to end process and verify their identity in real-time, whilst offering a superior customer experience.

## **Key Benefits**

Automatic, real time engine and responses.

DV & FC elements can be independently used for maximum flexibility.

Can verify over 6000 global documents.

Ability to add bespoke templates to the global document library.

Supported by mobile SDK's & API end points for web journeys.

Deter fraudsters by linking verified documents to users.

## **Complementary Services**

Manual Document Verification | Global eKYC | AML Services
